

ACHIEVE BEYOND PRIVATE PAY SERVICES

Achieve Beyond is a division of Bilinguals Inc., which provides programs approved by the New York State Department of Health, the Nassau and Suffolk County Department of Health Services, and the New York City Department of Health and Mental Hygiene. Our providers consist of Special Education Teachers, Speech Language Pathologist, Occupational Therapists, Physical Therapists, Clinical Supervisors, and Board Certified Behavior Analysts (BCBA) all trained and experienced in Applied Behavior Analysis (ABA).

Achieve Beyond offers a variety of private pay programs and services that will be specifically designed to meet your child's individual needs.

Social Skills Group: In obtaining appropriate social skills, children are given the ability to facilitate and maintain relationships with both peers and adults. This group will focus on building relationships by promoting appropriate social interactions through direct instruction and engaging activities. We encourage families to identify a "peer buddy" to participate in the program. This could be a family member, friend, or neighbor. There is no charge for the additional peer.

Groups run for 6 weeks, 1 session per week for one hour.

Payment is \$300.00 for the 6 weeks.

Facilitated Play Dates: Children with language, learning and behavioral disabilities often face challenges in participating in the average after-school play date. With adult modeling and prompting a special educator will help you engage your child and his/her peer in appropriate social experiences in your home or an appropriate community setting. These play dates also assist children in improving their verbal and non-verbal communication skills. Parents and siblings are encouraged to participate.

Payment is \$60.00 for 30 min. session. \$110.00 for 60 min. session

Mommy & Me Groups: Children and caregiver will enjoy structured play for an entire hour. Activities will be highly interactive, and the teacher will introduce different themes each week to target a wide array of developmental milestones. This will become an entertaining and educational setting for parents and children alike.

Groups run for 6 weeks, 1 session per week for one hour.

Payment is \$150.00 for the 6 weeks.

Private Consultation: Highly trained consultants will provide single or ongoing training/supervision to home therapists or teachers at your child's community pre-school.

Payment is \$60.00 for 30 min. session. \$110.00 for 60 min. session

Group / Individual Family Training: Consultants will provide training to parents and caregivers on strategies including applied behavior analysis, behavioral support, self-help skills and community outings.

Payment is \$60.00 for individual 30 minute session. \$110.00 for individual 60 minute session. \$25.00 for a 60 minute group session

****1 free group session will be offered to any family enrolled in one of our other private pay programs.**

Other private pay services offered include: Special Instruction, ABA services, Occupational Therapy, Physical Therapy, Speech and Feeding Therapy, and private evaluations.
